Approved For Release 2003/08/12 : CIA-RDP82-00457R014400210009-4

Comments. (1) In mid-July, units of the 35th Engr Hegt (US) stationed in the barracks installation on Schumke See had returned from training exercises on the Elbe River near Mittenberg. Installation was occupied by about 300 soldiers. of this report tends to indicate that units of this regiment were still absent in mid-August and that the barracks installation was only portly occupied. (2) Elements of the Second Ods AAA Div of the GOFG are again confirmed in the Eisenbahn Pionior Kaserae until 18 August 1952.			•		25X1	· .		
(1) In mid-July, units of the 35th Engr Regt (US) stationed in the barracks installation on Schumke See had returned from training exercises on the Elbe River near Attenberg. Installation was occupied by about 300 soldiers. Of this report tends to indicate that units of this regiment were still absent in mid-August and that the barracks installation was only partly occupied. (2) Elements of the Second Cds AAA Div of the GOFC are again confirmed in the Eisenbahn Pionier Kaserne until 18 August 1952.			SEC	<u> </u>	2
